

REMARKS

The specification has been amended to conform with preferred USPTO practice and to reflect the drawings filed on August 18, 2008, to include appropriate sections describing the drawings. No new matter has been entered.

If there are any questions regarding this amendment or the application in general, a telephone call to the undersigned would be appreciated since this should expedite the prosecution of the application for all concerned.

If necessary to effect a timely response, this paper should be considered as a petition for an Extension of Time sufficient to effect a timely response, and please charge any deficiency in fees or credit any overpayments to Deposit Account No. 05-1323 (Docket #095309.57817US).

Respectfully submitted,

August 19, 2008
